

**Ector County
Engineering
Department**

**Development Permit
Exemption Certificate**

Applicant's Name: _____
First Name LAST NAME

This application has been reviewed by the county administrator and it is determined the proposed development is not within an identified flood plain of Ector County. This certificate exempts the applicant from development standards required by Ector County flood plain management regulations. Work is hereby authorized to proceed on the following property:

Site Address: _____
Street # Street Name Zip Code

Legal Address: Section: _____ Block: _____ Lot: _____ Acreage: _____
Subdivision Name: _____

Meets & Bounds Description:

The county administrator has reviewed the plans and specifications of the proposed development and desires to make the following recommendations for development or designing alternations.

Warning:

Flood hazard maps and other flood data used by the county administrator in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes and are based upon the best available scientific and engineering data. On rare occasions, greater floods can and will occur and flood heights may be increased by man-made or natural causes. This exemption certificate does not imply that developments outside the identified areas of special flood hazard will be free from flooding or flood damage. Issuance of this exemption certificate shall not create liability on the part of Ector County in the event flooding or flood damage does occur.

Acknowledgement of Warning by Applicant or Agent
