RE: **NO ANNUAL SWIMMING POOL OPERATOR'S REFRESHER TRAINING CLASS**

ECHD is announcing that as of now **there will be no pool school conducted this year.** It is due to the COVID-19 vaccine distribution and the involvement of the entire staff in this process. If there happens to be any changes and we plan to conduct the pool school in 2021, we will inform you. You are still required to have a Certified Pool Operator to maintain the swimming pool/spa at your facility.

Check your pool operator's certificate to confirm when it expires.

Note: ECHD **will not** be accepting Pool Operator training certificates issued by Midland Health and Senior Services, as their training does not include a full day of training and competency testing.
